The Leeds  
Teaching Hospitals  
NHS Trust

# Leeds Radiology GP X-ray walk-in service (age 16 or over)

**Radiology offer a walk in service for adult patients who have been referred for an X-ray by a GP.**

**Children will continue to have a booked appointment.**

You can attend for an X-ray without the need for an appointment at any of our sites at the times shown below.

For patients who would prefer an appointment, please contact the **Radiology enquiry & booking line - 0113 733 4974**

#### Please note:

- A booked appointment is needed for patients who require hospital transport.
- Patients who are referred for dual energy chest X-ray will need to attend St James or Leeds General Infirmary
- Patients who are referred by their GP for pelvis or hip X-ray when there has been a fall or accident should attend the LGI or St James's Hospital.
